

WHO WE ARE

Pacific Earth Works, Inc., based in Monroe, WA since 1979, is an award winning, landscape contracting firm that specializes in “select bid” commercial and public landscape construction projects.

Three decades of experience, a proven track record, and the fact that we stand behind our word and our workmanship, as well as understand the value of listening to you, our client, has resulted in numerous satisfied clients and owners. You will find that this experience, our honesty, and our “team player” approach differentiate us from any other landscape contractor.

“Award Winning Landscape Construction Since 1979”

WHY CHOOSE PACIFIC EARTH WORKS, INC.?

- Award winning landscape installations. Twenty-one awards in seven years.
- Diversified general construction . . . green roofs, wetlands, athletic fields, parks and more.
 - Competitive pricing, good communication and a focus on on-site safety.
 - Projects that are completed on time, to specification and look great.
- Thirty years in business, same location, same name, same assurance of quality.
